I, the undersigned government veterinarian in-charge

certify that the animal of the above descriptions is satisfying the following conditions:

1. The animal has been vaccinated as mentioned below.

Firstly: Required dog vaccinations:

Vaccination type	Vaccination date	Batch No.	Manufacturer	Vaccine name	Notices
Rabies Vaccine					The dogs and cats should fulfil the immunization with anti-disease vaccine according to manufacturer, providing that animal's age on beginning of vaccination (which should not less than 12 weeks)
Canine Distemper Virus (CDV)					
Canine Parvovirus					
Infectious Canine Hepatitis					
Leptospirosis (Ictohaemorrhagea & Canicola)					

Secondly: Required Cat vaccines:

Rabies					The dogs and cats should fulfil the immunization with anti-disease vaccine according to manufacturer, providing that animal's age on beginning of vaccination (which should not less than 12 weeks)
Feline Panleukopenia Virus					
Feline Rhinotracheitis:					
Feline Calicivirus (In cats):					

2. The animal received internal and external parasite preventive doses during the 14 days prior to export.
3. The animal was visually examined during the 24 hours prior to shipping and showed no signs of the diseases.
4. Animal transport: The pet animal/s described in the certificate was transported in compliance with IATA conditions in a transport box or cage which satisfy the followings:
 - Clean and disinfected

- Allows for good ventilation
- Designed to cause no leakages or animal remnant dropping (such as faeces, urine)
- Allowing the cleaning and disinfection
- Allowing the viewing and visual testing

5. The dogs are not within any of the below mentioned restricted breeds (Staffordshire Bull Terrier, American Pit Bull Terrier, American Staffordshire Terrier, American Bully, Brazilian Mastiff (Fila Brasileiro), Argentinian Mastiff (Dogo Argentino), Tibetan Mastiff, Neapolitan Mastiff, French Mastiff (Dogue de Bordeaux), Boerboel, Bullmastiff, Cane Corso (Italian Mastiff), Bully Kutta (Alangué Mastiff, Indian Mastiff), Perro De Presa Canario (Canary Mastiff), Japanese tosa, Presa Canario) *

**except for those used as Service animals, or emotional support animals, or for medical purpose – in this case special import permit issued by MOCCAE is required before shipment.*
